## BREAKING: Contractors NOT killed; Cops Protecting Them

by Michael in New York on [9/04/2005 06:11:00 PM](#)

Don't be surprised when confused stories come out and get contradicted. Here's the latest, according to the AP and the TV folk; the Army Corps of Engineers had contractors at work, they were shot at by some lunatics (obviously, there is no justification for such lunacy) and the police shot and killed the people who were attacking them. Assuming these are the facts, bravo to the police for protecting emergency workers, bravo to the people volunteering to go into these dangerous situations and our thoughts are with the 99.99% of the Americans who continue to suffer, mostly due to incompetence by Bush during this national disaster. Remember: this chaos has erupted and continues because for the first three days of this disaster Bush and Cheney and Rice STAYED ON VACATION.
