### Bill Clinton Wants To Head UN

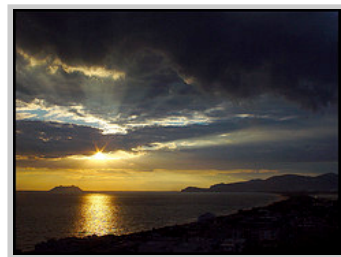

by Michael in New York on 6/01/2005 08:39:00 AM

The Washington Post has a fascinating article about Bill Clinton's life since the presidency and his popularity around the world. It claims that a few months after leaving office, Clinton decided he wanted to head the UN and started to map out a strategy to get there. That would sure beat being mayor of New York as far as influence goes.

No word on Clinton's attitude towards reforming the UN and making it more effective. But he certainly knows the quickest and best way to get the job: helping Hilary get into the White House.
