### Blair Lied To UK During Leadup To Invasion Of Iraq

by Michael in New York on [4/28/2005 10:51:00 AM](#)

Hey, here's one more thing Bush and Blair have in common: it's become increasingly clear to the British people that **Tony Blair lied about the legal advice he was given before the invasion of Iraq.** Per UK's The Independent:

The publication of Lord Goldsmith's report last night could prove to be the "smoking gun" that shows Tony Blair misled Parliament and the country over the war.

Last night, Mr Blair - unaware that the report was about to be leaked - was caught out still claiming on Sky News that the advice from the Attorney General "didn't change".

Professor Peter Hennessy, an expert on constitutional affairs, said: "The whole thing reeks." Dominic Grieve, the Tory legal affairs spokesman said: "There has been a gross deception."

Families of some of the British soldiers killed in Iraq said they were preparing a legal case against the Prime Minister, based on the leaked document.

No wonder those two get along so well.
