Bush Bio Ready To Explode

by Michael in New York on 9/07/2004 06:54:00 PM

John has made a few references to this, but Kitty Kelley is ready to roll out her Bush dynasty potboiler on Tuesday, September 14. Kelley digs up lots of dirt and -- as far as I know -- has never been successfully sued for libel, so she gets her facts right enough to fight off lawsuits.

Gossip columnist [Cindy Adams](#) had this to say today:

"Last month I reported biographer Kitty Kelley's coming Bush family vivisection has, what she considers, 'five major revelations,' one of which is a supposedly documented inch-by-inch on Dubya's so-called missing-year service record. I now report a big-time TV magazine show is on that case. Wrapping up footage even as we speak. Kitty, who's done her jobs on Nancy, Jackie, Elizabeth, Sinatra etc., has a publication date later this month."

Does this count as a "September Surprise?"
