### Bush's Friends the Pakistanis

by Michael in New York on 8/24/2004 10:15:00 PM

Bush's cynical idea of a good ally is Pakistan (not mention the corrupt monarchy of Saudi Arabia that has lined the pockets of companies he and his daddy worked for and with).

Pakistan has always harbored terrorists and supported them worldwide, it sold nuclear material and know-how to the highest bidders and now it's **shielding the Taliban**.

If you want to know about someone's character, look to their friends.
