## Even Pat Buchanan Hates Bush

by Michael in New York on 6/17/2004 05:31:00 PM

In the latest sign of eroding support for Bush, even right-wing nut Pat Buchanan is furious at Dubya. In today's New York Post, it's reported that Buchanan is getting \$500,000 for a book called "Where The Right Went Wrong?" that is nothing short of an anti-Bush tirade. It goes on sale in August, right before the Republican convention, which Buchanan will be covering for MSNBC. Maybe he'll go on tour with Michael Moore? I'd go to THAT booksigning. This does call into question, however, the old saying, "The enemy of my enemy is my friend." In this case, he's still my enemy.
