Ex-CIA Agent (and Republican) BLASTS Bush White House

by Michael in New York on [7/18/2005 05:11:00 PM](#)

Crooks and Liars has a good audio of a [radio interview with Larry Johnson, a one-time CIA agent](#) (under the first President Bush, mostly, I believe) who worked with Valerie Plame. He cuts through the lies, details the damage to our nation's security and is basically gobsmacked that any American -- much less any Republican like himself -- could defend Bush, Rove et al for outing a covert CIA agent. As Johnson points out, this is the first time in our HISTORY that a political operative at the White House has purposefully outed a covert CIA agent. Thanks to threader soccer mom for pointing this out to us.
