LA Times Weighs In On Karl Rove

by Michael in New York on [7/09/2005 04:27:00 AM](#)

Is Rove the White House official who outed a CIA agent, endangering the lives of them and their contacts overseas and potentially committed a felony?

The [LA Times follows the trail](#), concluding with this saucy kicker:

Asked for comment this week about what connection Rove may have to the case, the **White House stopped short of its previous denials** of wrongdoing.

"The president's instructions from the very beginning were to fully cooperate with the investigation, and as part of that cooperating, we are not going to comment on any matters that come up during that process," spokeswoman Erin Healy said.

Thanks to threader JeffSD for pointing me to this.
