Neoconservatives Snipe At Each Other

by Michael in New York on 8/23/2004 02:42:00 PM

The Neocons are squabbling again. Francis Fukuyama -- who once memorably made history by predicting the end of history -- is stirring up the movement by **attacking the invasion of Iraq as stupid** on almost every level. Meanwhile, racist demagogue Pat Buchanan is roiling the ignorant masses by calling the invasion of Iraq **"the greatest strategic blunder in 40 years."** Mind you, that's when he's not applauding Ralph Nader or bemoaning the fact that the US, that "child of Europe" (ie. white people) is being overrun by a bunch of immigrants.

All good signs of more division on the right.
