### North Korea Working For Kerry?

by Michael in New York on 8/24/2004 10:11:00 PM

Bush might want to file a complaint that North Korea is working for John Kerry. Surely there can be no other explanation for the stream of insults directed at Bush by that mad, Orwellian nightmare of a dictatorship. Among the choicer complaints:

Bush is "an imbecile, ignorant, a tyrant and a man-killer," according to a diplomatic spokesman. Bush is "a tyrant that puts Hitler into the shade." Bush's allies are "a typical gang of political gangsters. And then, apparently running out of steam, he said Bush is "a bad guy."

Who said Dubya wasn't a uniter?
