Open Thread -- and a Question For Condi

by Michael in New York on [9/03/2005 07:15:00 PM](#)

Condi, Did you enjoy "Spamalot" while your home state of Alabama was battered and bruised? And exactly how much did those shoes cost that you bought at Ferragamo while people were dying during the worst natural disaster in our nation's history? Can we see the shoes? And given how obscenely expensive they were, how much money have you personally donated to the relief effort?

Please take a moment to take our wholesome survey.

Thank you!
