### Republicans On The Run #1: Bolton Nomination REALLY In Trouble

by Michael in New York on 4/27/2005 12:41:00 AM

The vote on Bolton was pushed back to May 12. And now Bush's worst fear has appeared: the committee looking into Bolton is actually going to gather facts. Yep, the Senate panel is going to interview up to two dozen people in the next two weeks (including some who support him). As stories of more distortions of intelligence by Bolton pile up, it's looking very very bad. My prediction: Bolton bows out before the vote.
