RoveGate: The Cliff Notes

by Michael in New York on [8/25/2005 11:13:00 AM](#)

Here's [your chance to catch up on RoveGate](#), the outing of a CIA agent by the White House during a time of war and Bush's lies to the American people. The LA Times tells it all in this doozy, from Cheney's simmering disdain for the CIA to Powell's desperate attempts to make sure his UN speech wasn't filled with hearsay (close, but no cigar). It's a great primer. (I only took issue with the wording of one sentence.) And the sweetest info comes at the very end:

Individuals close to the case say that Fitzgerald is likely to wrap up his inquiry this fall.
