### Say Hello To...

by Michael in New York on [11/14/2004 01:38:00 AM](#)

...a teetotaling Mormon (one of the most anti-gay groups in the country). A former Capitol Hill cop. A staunch opponent of abortion. A co-sponsor of the constitutional amendment to ban flag-burning.

Who is it? A rising star of the "traditional values" Republican Party? Some new young turk who came into office on the coattails of George Bush?

Nope! It's **Harry Reid of Nevada, the new face of the Democratic Party** and the Senate minority leader! That's right: an anti-choice, anti-free speech, anti-gay, heck even anti-beer Senator is the spokesman for the **Democratic** Party. Write it down. Because with his record, that might be hard to remember.

P.S. By the way, don't expect him to deliver. Reid couldn't even deliver Nevada, even though Bush broke his promise to the state and tried to dump radioactive waste in their backyard.
