Trent Lott Thinks Bush Is Doing Dandy

by Michael in New York on [9/03/2005 01:36:00 PM](#)

This was last night (Friday) on CNN (hey, there's a lot to keep track of). Anderson Cooper asked more tough, reasonable questions and politicians like Trent Lott show how completely divorced from reality they are.

Cooper: So you're pleased with the Federal government's response?

Lott: I AM pleased with the federal government's response...this is not a time for complaining...I am really shocked at the comments that are coming.

Yes, how DARE anyone question why Bush and Cheney stayed on vacation and Condi WENT on vacation after the worst natural disaster in our nation's history.

The Coming Natural Gas Boom

Obama's "Repower America" initiative will pour billions into new energy projects – creating an estimated 5 million NEW U.S. jobs!

Domestic oil and natural gas production is projected to surge... handing profits hand over fist to a leading manufacturer of oil and natural gas pipelines and drilling equipment. Find out this company's name and why it's **The Motley Fool's Top Pick for 2009** in a new FREE report called "The Only Energy Stock You'll Ever Need!"
