### USA Today -- "The Debate's Over: Globe IS Warming"

by Michael in New York on 6/14/2005 04:48:00 PM

USA Today is **stating the obvious: that everyone (but Bush) agrees global warming is a serious threat** and must be dealt with. Big Business, scientists, even evangelical Christians are talking about what should be done -- none of them are taking issue with the basic facts. This is actually a good front page story about the issue and worth reading. Too bad Bush doesn't read newspapers.

What other obvious headlines would be news to Bush?

"The Debate's Over: Evolution Is A Fact"

"Iraq Had No WMDs and US Had No Solid Evidence That It Did"

"Governments That Rape, Torture, Kill and Ignore The Rule of Law Aren't Fighting Terror -- They're Committing It"

"Iraq Not Involved In 9-11"

"Republican Elected Officials At State and Federal Level: 98% White and Growing!"

MORE POSTS ABOUT: TORTURE
