War, Massive Debt, Supreme Court Battles, Gaza Tensions...And Bush Takes It Easy

by Michael in New York on [8/18/2005 01:00:00 PM](#)

The Bush vacation -- a five week affair that is astonishing during a time of war -- hits high gear this week, per USA Today. (Sorry, it's a tiny item by Judy Keen and I can't find a link.)

"This week is pure vacation: fishing, biking and his favorite ranch activity: clearing cedar."

Hey, it's not like anything important is going on.
