What If Another Disaster Strikes?

by Michael in New York on [9/05/2005 06:49:00 PM](#)

What if -- God forbid -- another natural disaster or terrorist attack strikes another American city within the next six months? Does ANYONE think our scarce resources won't be stretched to the breaking point? We've always talked about having the ability to fight two wars overseas at the same time. Shouldn't we also be ready to react to two natural disasters here at home? With HALF the National Guard sent to Iraq via a backdoor draft, they are unavailable to do the job they were meant for: keeping Americans safe here at home.
