Want to see the naughty films that launched the Hays Code? Check out **PRE-CODE HOLLYWOOD #1: THE RISQUE YEARS** (1931/1934, Roan Group, unrated, \$39.95, July 6), which contains Bette Davis' *Of Human Bondage* (that word!), Joel McCrea's *Kept Husbands* (that idea!), and Joan Blondell's *Millie* (that kussy!). —Michael Giltz
