

LASERDISCS

★ **Terminator 2: Judgment Day.** Even by the lavish standards of laserdisc releases, this is an impressive package: sixteen extra (and worthy) minutes of footage, step-by-step explanations of special effects, interviews with cast and crew, reviews, posters, ads, and other extras, all enclosed in a hefty slipcase that would give Arnold a serious workout. Pioneer Special Edition, \$119.95. **MICHAEL GILTZ**

ZADE ROSENTHAL

Fast action hero: *Schwarzenegger shows his metal.*
